My dear Balasundaram Iyer,

File Subd Sefra.

Your letter No. G.5966 of the 6th instant, requesting me to depute one of my Assistants to buy direct from the millers the rice we are entitled to import from the Madras delta area and from Nellore has just reached me. On the 6th morning when I saw the Dewan he mentioned that he had passed orders to this effect. I represented that the work of buying the rice and seeing it consigned by railway will take probably 12 to 15 days as the whole quantity is not available in one place, and that it would be very inconvenient to send away one of my Assistants for this period as the current work is very heavy and suggested that if possible Mr. K. H. Ramayya, the Deputy Director of Commerce might be deputed for this purpose. The Dewan told me to write back about this and said that he could pass orders on it. I shall be obliged if you will kindly obtain very early orders on this point

From

K. MATTHAN, Esq., B. A.,

Director of Civil Supplies in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A.,

Chief Secretary to the Govt. of Mysore.

Sir,

I have the honour to acknowledge the receipt of your letter No. G.5966/P.P.24-19-27 of the 6th instant. With reference to the direction to buy Nellore rice direct from the millers, I have the honour to state that the price of Nellore rice is now very high and if Government buys up the rice it may be difficult to dispose of it at cost price. In the case of delta rice owing to its cheapness complete control is necessary to prevent profiteering and this is best effected by Government buying up the goods and selling it, but in the case of Nellore rice its high price as compared with the price of other available qualities (and) the competition between merchants will probably be the best safeguard against profiteering. I request that this aspect of the matter may be placed before Government and their further orders communicated to me very early.

2. In regard to delta rice, the Collector, Civil and Military Station, will, I believe, be willing to make his own arrangements to buy the 100 tons of boiled rice that I had promised to supply him. Similarly the 150 tons of delta boiled rice allotted to the Kolar Gold Field every month are being taken over by the Kolar Gold Field Mining Board and distributed through that body. If the Collector and the Mining Board are agreeable, I request permission

permission to allow them to make arrangements themselves for the purchase and import of 250 tons of delta rice. The quantity to be purchased through Government agency will then be 400 tons, which will be distributed partly through co-operative societies and partly through retailers.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller & Director of Civil Supplies in Mysore.

P.S. While writing the above I have received a letter from the Collector, C. R. Station that facilities for his import of 100 tons delta rice himself may be given by

It is quite necessary that he should have the assistance of some respectable and reliable merchants. The payment of second class railway fare and daily batta ar Rs 3 each would not be excessive.

With reference to your D.O.No.5269 dated the 13th September 1919, I have to inform you that I shall start for Bezwada to-morrow by mail, As I require the services of two respectable and reliable merchants viz., Messrs.S.K.Narasimiah and Sambasiva Iyer for examining the samples, attending to the proper measurements of rice in the mills, carting the bags to the Railway station and loading them in waggons, I request you to kindly permit me to take them at Government expense. I may state for your information that they are willing to accompany me if they are asked to do so and if they are paid second class fare to and fro and their actual expenses at Rs.3/- per diem in each case. As we are going to save all commission charges, I think that what they ask for is not much and I request you to kindly give me your permission for taking them with me in anticipation of Government sanction. I want also your permission to take a peon with me as I shall have to stay there for eight or ten days. I am also to request you to address Government to grant me actual conveyance allowances there, as the daily allowance drawn by me will not suffice.
